State & County Election Policies

Rotation of Candidate Names on Ballot

Kansas law requires that candidate names be rotated by precinct. Note: Precinct committee persons, 3rd Class Cities and Drainage District candidates are not rotated. The rotation formula begins with the county in alphabetical order by city, ward, and precinct (CWP) and candidates for a given contest in alphabetical order. CWP's for the contest are identified, including the number of eligible voters per precinct. Total eligible voters are divided by the number of candidates to determine the number of voters in each rotation. The initial rotation sequence is in candidate alphabetical order. The Election Office can show you what the candidate rotation will be in your specific area.

Write-In Candidates

When a voter chooses to vote for a write-in candidate not printed on the ballot, each write-in candidate must be individually reviewed to determine eligibility status. The list of write-in candidates will be available after the election canvass following Election Day.

Provisional Ballots

Provisional ballots are voted when a voter's registration is in question, or when our records indicate the voter was already sent an advance ballot. Provisional ballots are sealed in special envelopes at the polls and must be individually researched and verified at the Election Office prior to presenting them to the Board of Canvassers.

Unofficial Election Results

The timeliness of reporting election results in Johnson County is dependent on: (1) number of voters in line when the polls close at 7:00 p.m.; (2) number of ballot scanners reporting results; and (3) number of candidates and contests on the ballot.

The first unofficial partial results summary is usually available by 7:30 p.m. and posted to our website. This summary will include advance votes. This information will be updated periodically throughout the evening until all ballot scanners have reported results into the central election computer. Final official election results will be available following certification by the Board of Canvassers.

Official Final Election Results

For fall elections, the Board of Canvassers canvass the votes on the Monday following the election at 9:00 a.m. at the Election Office, 2101 E. Kansas City Road, unless another date has been published. This Board of Canvassers determines the validity of any provisional or challenged ballots. Following the processing of the valid ballots, the official vote summary is certified by the Board of Canvassers as the official final election results.

Poll Agent Information

Elections are conducted as openly and with as much public access as possible, still recognizing the need for control to preserve the secrecy of individuals' ballots. At most points in the electoral process, interested individuals and groups may observe the proceedings at the precinct polling sites, at the county election office, or at the county or state canvass.

The principal means recognized in state law for public observation of electoral proceedings is the authorized poll agent. Poll agents are commonly referred to as poll watchers.

How many?

Each person authorized to appoint poll agents may appoint one per polling place.

[KSA 25-3005a(b)]

Qualifications

Appointed poll agents must be registered Kansas voters. If they are members of a candidate's immediate family, they are exempt from this qualification (some candidates in the past have appointed relatives from out of state). Also, individuals 14 to 17 years old may be appointed poll agents if they meet all other requirements of an elector (U.S. citizenship, residency).

Poll Agent Rules

Poll agents *must*

- Carry the appointment form and produce it upon request by an election officer
- Act in accordance with policies adopted by the county election officer and the supervising judge at the polling place
- Comply with state laws and regulations and local rules applicable to poll agents
- Wear a badge identifying them as an observer
- If acting as an appointed poll agent, be a registered Kansas voter or a member of a candidate's family

Poll agents *may*

- Observe the voting process at the polling place where appointed
- Observe the canvass
- Request to be shown a ballot at the original canvass on election day
- If acting as an appointed poll agent, be as young as 14 years of age

Poll agents *may not*

- Approach within three feet of a voting booth or a table used by an election board
- Touch or handle a ballot
- Participate in the administration of ballots or ballot counting
- Hinder or obstruct any voter when entering or exiting a polling place or while voting
- Hinder or obstruct an election board in the performance of its duties
