State & County Election Policies

Rotation of Candidate Names on Ballot

Kansas law requires that candidate names be rotated by precinct. Note: Precinct committee persons, 3rd Class Cities and Drainage District candidates are not rotated. The rotation formula begins with the county in alphabetical order by city, ward, and precinct (CWP) and candidates for a given contest in alphabetical order. CWP's for the contest are identified, including the number of eligible voters per precinct. Total eligible voters are divided by the number of candidates to determine the number of voters in each rotation. The initial rotation sequence is in candidate alphabetical order. The Election Office can show you what the candidate rotation will be in your specific area.

Write-In Candidates

When a voter chooses to vote for a write-in candidate not printed on the ballot, each write-in candidate must be individually reviewed to determine eligibility status. The list of write-in candidates will be available after the election canvass on Monday following Election Day.

Provisional Ballots

Provisional ballots are voted when a voter's registration is in question, or when our records indicate the voter was already sent an advance ballot. Provisional ballots are sealed in special envelopes at the polls and must be individually researched and verified at the Election Office prior to presenting them to the Board of Canvassers.

Unofficial Election Results

The timeliness of reporting election results in Johnson County is dependent on: (1) number of voters in line when the polls close at 7:00 p.m.; (2) number of voting machines reporting results; and (3) number of candidates and contests on the ballot.

The first unofficial partial results summary is usually available by 7:30 p.m. and posted to our website. This summary will include all advance votes. This information will be updated periodically throughout the evening until all voting machines have reported results into the central election computer. Final official election results will be available following certification by the Board of Canvassers.

Official Final Election Results

For fall elections, the Board of Canvassers canvass the votes on the Monday following the election at 9:00 a.m. at the Election Office, 2101 E. Kansas City Road, unless another date has been published. This Board of Canvassers determines the validity of any provisional or challenged ballots. Following the processing of the valid ballots, the official vote summary is certified by the Board of Canvassers as the official final election results.

FREQUENTLY ASKED QUESTIONS

I haven't started fundraising, but I need to campaign. How much money can I loan or donate to my campaign?
There's no limit for you or your spouse.

Someone just handed me a \$20 bill at my fundraiser. Can I accept cash contributions? Yes, but no more than \$100 per entity. If the contribution is over \$10, remember to retain a written receipt.

I like other candidates on the ballot. Can I donate my surplus campaign funds to them? No, you cannot donate campaign funds to another candidate or campaign. You can donate funds to a political party.

My car payment is due tomorrow. Can I use campaign funds for my personal expenses? No, candidates cannot use campaign funds for their or their family's normal living expenses.

My volunteers worked hard today. Can I buy them dinner with campaign funds? Yes, but be sure to keep the receipt and record the expenditure on your report.

I bought a lot of stuff for my campaign. Yard signs, bumper stickers, buttons. Do I really have to report it all?

Yes, any expenditure over \$50 must be itemized to include the name, address, amount, and purpose of the expenditure.

Look at my new brochures! They have my logo and campaign message. I can't wait to hand them out to voters. Do you like them?

They're great, but remember that any literature, mailer, or invitation that expressly advocates for the election or defeat of a candidate for state or local office must include the "paid for by" statement and the name of the candidate and treasurer.

Any person acting as an authorized or appointed poll agent is required to carry this form as identification and shall display it upon demand by any polling place election worker or election office staff person. (K.S.A. 25-3005a).

This form is not valid until it has been date stamped and approved by a staff person at the Johnson County Election Office. Forms must be filed with the county election office by mail, hand delivery, fax or email before the person may act as a poll agent.

There are two types of poll agents, and the qualifications are different for each.

Persons holding the following positions are automatically authorized by law to serve as poll agents and are required to carry this form as identification:

- Chairpersons of state and county party committees,
- Chairpersons of committees concerned with question submitted elections,
- Candidates,
- Precinct committee persons and
- Write-in candidates who have filed affidavits of write-in candidacy.

List of Procedures for Poll Agents

Authorized Poll Agents

Elections are conducted as openly and with as much public access as possible, still recognizing the need for control to preserve the secrecy of individuals' ballots. At most points in the electoral process, interested individuals and groups may observe the proceedings at the precinct polling sites, at the county election office, or at the county or state canvass.

The principal means recognized in state law for public observation of electoral proceedings is the authorized poll agent. Poll agents are commonly referred to as poll watchers.

Who are poll agents?

There are two ways to be designated as an authorized poll agent.

1. Each of the following persons is automatically a poll agent because of the position they hold:
 - a. state or county party chair
 - b. chair of a committee formed to support or oppose a question submitted election
 - c. candidate
 - d. precinct committeeman or woman
 - e. a write-in candidate for statewide office who has filed an affidavit of write-in candidacy with the Secretary of State
2. A person may be appointed to be a poll agent by one of the persons listed above.
[KSA 25-3005a(a)]

How many?

Each person authorized to appoint poll agents may appoint one per polling place.
[KSA 25-3005a(b)]

Qualifications

Appointed poll agents must be registered Kansas voters. If they are members of a candidate's immediate family they are exempt from this qualification (some candidates in the past have appointed relatives from out of state). Also, individuals 14 to 17 years old may be appointed poll agents if they meet all other requirements of an elector (U.S. citizenship, residency).

Appointment process

Appointments must be made in writing on a form approved by the Secretary of State. Form PA is produced by the Secretary of State's office for this purpose. The appointment form must be filed at the county election office up to or on election day.

Poll agents must carry their authorization forms with them at any time they are acting as poll agents, and they must present the forms when asked by a precinct or county election worker. Further, they must wear a badge, issued by the county election officer, containing the word "observer" in 32-point type or larger.

When a candidate or precinct committee person is acting as an authorized poll agent, he/she must carry identification supplied by the county election officer.

What poll agents may do

Poll agents may observe the voting process at polling places and may observe the original, intermediate and final canvasses. [KSA 25-3005]

They may request to have an election judge at the original canvass display a ballot to them, but the poll agent may not touch the ballot. [KSA 25-3004]

Limits on poll agents' activities

Poll agents must carry their appointment forms with them. Candidates and precinct committee persons acting as poll agents must carry identification supplied by the county election officer.

Poll agents must act in accordance with statutes, regulations adopted by the Secretary of State, and directives of the county election officer and supervising judge of any polling place. For instance, they are subject to the same statutes prohibiting electioneering, voter intimidation and disorderly conduct as anyone else.

Poll agents may not participate in the administration of ballots or the ballot counting and tabulating process. They may not handle ballots.
